Dear Rosemary:

I am writing to request an advisory opinion regarding the Jessamine County Democratic Executive Committee members' desire to become involved in the "Adopt-a-Highway" program. We feel that the advertising on the sign will benefit our local party as well as the Democratic Party as a whole.

If you have questions regarding this request or feel I can be of further assistance, please don't hesitate to contact me. Thank you for your attention in this matter.

Sincerely,

Gary Goldey
Chairman
